CSE535 Mobile Computing (FALL 2007)
Term Project: Phase III (Final) Report Requirements
Due: 12/06/2007 at the beginning of the final exam (12:20pm)

In Phase III, the student evaluates the solution using mathematical analysis, simulation, and/or implementation. The report should be written in a technical style using good English. All referenced sources should be cited.

Deliverable:
1. A report cover including the project title and the ASU IDs and full names of group members
2. Phase I, II, and III reports and presentation slides

Send your files to the TA (su.kim@asu.edu) and submit hardcopies at the beginning of the final exam.
